

Randy's Letter

Dear Dad,

I wish you would have came to me instead of just running away from me. I would have loved to been with you. I just wanted to be your son. When I spent time with you it was great. And now you are gone and I will never see you again: I wish you were here now becuse I could realy use you as my dad. Even though you whernt around when I was younger I you could use you could make up for it now I miss you so much.

Randy
